- *Important tools and preparation for 2012!*

Join us for a SHAMANIC 'CEREMONY OF LIGHT'

A space created to enable us to make the transition from this Polarized Consciousness (Duality) into the New Earth of Oneness, rooted in the Heart!

A space created to help us integrate 5th Dimensional crystalline energy, bring in the 'Age of Aquarius' & create the 5th world of Light!

MARCH 20, 2012... SPRING EQUINOX CELEBRATIONS:

The 2012 Spring Equinox in the northern hemisphere occurs on Tuesday March 20. It is one of the two days of the year that the Sun moves across the celestial equator, the imaginary line among the stars that lies directly above the Earth's equator circling from east to west, rising exactly due east and setting exactly due west. On the Equinox, the Earth and Sun are in perfect balance and harmony, as the Sun is centered between the Northern and Southern Hemispheres, and centered between Earth and sky. This creates a sacred cross of balancing energy that naturally harmonizes the planet and humanity

LETS GATHER TODAY, TO STIR THE REMEMBRANCE OF WHO WE ARE!

TO OPEN OUR HEART TO THE FLOW OF UNIVERSAL UNCONDITIONAL LOVE TO HEAL ONESELF, ALL OF HUMANITY AND THE PLANET.

At this March Equinox, the energy of the Sacred Rose will become stable and open, and will be Shimmering and Radiant and will illuminate the Planet in a Golden Light. This is the Golden Light of Ascended Love, that which we call the "Christ Consciousness". This is the Perfect Balance of Heaven and Earth, expressing the Divine Love of Source through Human Form.

We invite you to join us in a Sacred 'Ceremony of Light' on this date to celebrate this grounding of the new energies energy and your own rapid ascension or acceleration into new ways of Being.

AT THE 'CEREMONY OF LIGHT' workshop:

- * Use music & movement to open up our Chakras
- * We work around a crystal alter in the centre of our Human Circle, with the intent to download & create an amplified Vortex of Light
- * Around the crystals, we honor the 4 directions & the elements they represent (with the intent for merger!). North – Ether (Dhup), South – Earth (flowers, plant), East – FIRE (candle, diya), West – WATER.
- * Grounding & Attuning
- * Celebrate with Sound....raising our vibration, enabling us to express the Music of the Soul... & experiencing the Light that we are! :)

WORKING WITH CRYSTAL SKULLS:

'...these ancient relics are said to contain information about the history of our planet and the future of mankind.

Carved out of pure quartz crystal, and other crystals such as jade, the Skulls generate an energy field that activates human consciousness in a way that expands our perceptions of reality.

Ultimately they are the manifestation of Spirit in a form that is now helping to shift the magnetic frequency of Mother Earth.

When the Spirits of the Skulls are ceremonially awakened, ancient wisdom, wisdom that has been preserved in a crystalline matrix for eons, enters the unified field and fills the collective consciousness with all the knowledge, of everything that has happened on the planet in the last 26,000 years and perhaps beyond...'

We are already on the Runway to the New Earth...!

The path to becoming self contained, self responsible beings of Mastery

As we move through the big shift of 2012, consciousness is rapidly expanding & every moment is an opportunity to choose – Love or/over Fear?!

Choose now with every breath, choose now with every step!

THE LIGHT KNOWS WHERE TO GO, THE LIGHT KNOWS WHERE TO FLOW....

CHOOSE LOVE, HOLD FAITH, & SURRENDER!!

BE THE LIGHT, TO SPREAD THE LIGHT! :)
